

Supporting People with Disabilities to Achieve Their Goals

Postal Address: PO Box 147,

Tokoroa

SWAT CEO: Russell Ensor

As the year draws to an end, it is a great time to reflect on what a very busy and enjoyable year it has been.

We have grown and matured so much in the past few years and this is reflected by the support we are getting from our community.

We are making waves in the business sector with our new business enterprise recycling electronic waste! We have many councils around the central North Island supplying SWAT with eWaste.

The South Waikato Achievement Trust is only as good as it's people, employees, management, trustees and families who have worked together to achieve our vision!

Our Vocational and Residential areas have had a very busy year supporting our people. All of this has been made possible by our amazing teams.

Finally, I would like to wish everyone a Merry Christmas and a Happy New Year.

NEW STAFF MEMBERS AT SWAC

PACKAGING

DEPARTMENT:

Well, it has been a very eventful year for the Packaging Department.

Gail returned after a shoulder operation procedure. Susan left to start a new job, Nacole left to follow another adventure and we gained two new support staff to add to the Packaging family.

Tracey Trainor and Donna Gilchrist were employed and totally love their positions.

We played Soccer at the beginning of 2015 and we all had fun. We have been very busy with SIMCRO orders and HOLDFASTS orders. We are all looking forward to our 'Xmas Break Up Dinner' on the 17th December at the Sport and Events Centre. On Friday the 18th December we finish for the holidays where we will all enjoy 3 weeks celebrating the festive season with all our families.

So from us all at SWAC - Packaging we all wish the rest of the Centre and their families a very Merry Christmas and a Happy New Year.

We will see you all on your return in 2016.

GAIL, CHICKY,

TRACEY & DONNA

Also, let me introduce you to five new members to our eWaste & Recycling!
